What did you think?

Valentine's Day Toiletries and Hygiene Drive

HGSE donated 129 out of a University-wide total of 424 lbs of items to the drive! That's 30%! Great work!

Did you participate in this year's Valentine's Day Toiletries and Totes Drive?

What went well? What could be improved?

Does your bathroom have shampoo, conditioner, and shaving cream that you won't use? Do you have unused nail polish crowding your make-up bag? Want to give feminine hygiene products and tote bags to needy Cambridge neighbors?

Recycle your toiletries by donating them to the **HARVARD VALENTINE'S DAY COSMETICS, HYGIENE & TOTES DRIVE!**

Toiletries, feminine hygiene products & reusable tote bags should be in new, unopened condition (hair treatments OK opened). All donations will be delivered to the Cambridge Family Shelter of the YWCA. Drop off your donations by Monday, February 7th in the labeled box. Call 617-496-4891 with any questions.
